

Christie A. Camelio

Christie is currently SVP and Chief Compliance and Risk Officer at EQRx. She has over 20 years of experience implementing, guiding, and constructing proactive healthcare compliance, corporate compliance, and enterprise risk management strategies and programs for some of the world's most successful pharmaceutical and biotechnology companies. She has extensive success designing organizational governance structures for optimal operations, ensuring a customized approach that is right sized for the company. Christie brings a welcomed personability and deeply rooted passion to enterprise-wide global risk management with intent focus on managing stakeholder relationship through the intersection of compliance and bottom-line results to enable innovation while proactively managing risk.
