

## **Avia Dunn**

Ms. Dunn advises clients on matters related to compliance with fraud and abuse laws, HIPAA privacy restrictions and industry codes related to product promotion and manufacturer interactions with providers and patients. She also counsels extensively on product support programs, providing strategic guidance on program structures, program tactics and policies and procedures. Additionally, Ms. Dunn regularly represents life sciences companies in government enforcement actions and internal investigations involving a full range of fraud and abuse issues. She also conducts pre- and post-transaction reviews in connection with transactions in the life sciences industry and has advised clients on more than 100 life sciences-related transactional matters.

Ms. Dunn was recently named one of Lawdragon's 500 Leading Litigators in America. She is active with Skadden's diversity leadership initiatives and serves on the firm's Women and Diversity committees. Ms. Dunn also was recently named to the Lawyers of Color's inaugural list of Wonderful Women, which recognizes dynamic women attorneys working in law firms, companies and government agencies across the U.S. who show promise in their careers and demonstrate a strong commitment to advancing diversity in the legal profession.
