

## **Jocelyn Lafond, LLB, LLM**

Mr. Lafond has been leading the legal department at Theratechnologies for over 16 years. In his role as General Counsel and Corporate Secretary, he is a member of the Executive Committee team and he oversees all the legal aspects of the business, including securities and pharmaceutical compliance matters, contract negotiations, financing, intellectual property and privacy law matters. He also advises directors on governance matters. The legal department is comprised of two other lawyers and of one para legal. He previously practiced corporate and securities laws with the international law firm of Fasken Martineau at their Montreal offices. A member of the Québec Bar since 1992, he holds an LL.B. from the Université Laval, in Québec, and an LL.M. from the University of Toronto, in Toronto.
