

Brian Long, MBA

Brian is a partner in PwC's Health Industries Risk and Regulatory practice focused on the intersection of digital risk and compliance in the life sciences. His 20+ year career spans from global, multinational pharmaceutical manufacturers to pre-commercial life science. He has also worked extensively with medtech, clinical research, and digital health organizations serving the sector. Brian frequently partners with Compliance, Enterprise Risk Management, Cybersecurity, Quality, and Internal Audit functions to mature risk management practices. Brian is a graduate of the University of Kentucky, a Certified Public Accountant, and a Certified Information Systems Auditor.
