

Jeffrey Scott, JD

Jeffrey currently leads a team of 10 colleagues who support Pfizer Digital's compliance program, help manage digital risk, lead the Compliance Division's own digital transformation, and provides analytics and reporting support to the Division. Prior to this role, Jeffrey was the global compliance lead for Pfizer's Internal Medicine Division and Commercial Operations organization. Earlier in his career he managed both US and International internal investigations. Prior to joining Pfizer, Jeffrey owned his own business and work at both Troutman Pepper and Skadden. Jeffrey graduated with a JD from UPenn and a BA from Cornell.
