

Ron Wisor

For health care and life sciences companies uncompromising in their commitments to both business success and regulatory compliance, Ron Wisor is a valued strategic advisor, counselor, and advocate.

Whether it be a cutting-edge business plan, a key acquisition, or a high-stakes government investigation, Ron brings his deep understanding of health care regulation and his practical problem solving skills to bear in guiding health industry leaders through their most challenging legal compliance issues.

The primary focus of Ron's practice is health care fraud and abuse compliance, with an emphasis on helping clients navigate application of the anti-kickback statute and false claims prohibitions in ways that allow them to engage in competitive business arrangements and promote greater access to their products and services.

The head of our Health practice and a recognized leader among Washington, D.C. health care lawyers, Ron also regularly advises clients on coverage and reimbursement of new technologies, assists clients in addressing Medicare and Medicaid billing issues, and has vast experience in dealing with other complex regulatory issues in areas such as digital health, research compliance, genomics, personalized medicine, and telemedicine.
